

# StoneHedge Web-Based Merchandising System

Streamline origination • Automate offer management • Simplify merchandising & hedging

StoneHedge, the powerful new web-based merchandising system developed by StoneX, empowers commercial grain customers, of all sizes, to increase grain origination efficiency via the industry's most advanced toolset.

## STREAMLINE ORIGATION

StoneHedge is designed for all your origination needs, not just offers.

You can instantly quote a price, lock in a contract, and place a market order for a Producer in a matter of seconds.

By accessing your Producer's inventory balance through StoneHedge, you can streamline the process of them pricing grain, eliminating the need to stumble through multiple applications.

## SIMPLIFIED MERCHANDISING & HEDGING

StoneHedge keeps everything in one place for you, across multiple locations if needed.

You can access futures and cash prices, along with your basis bids and basis contracts.

Your Originators and Merchandisers can easily view their customer's working offers and filled offers/orders/contracts.

The automated Long & Short allows you to manage 100% of your hedging needs, including spread orders and sales contracts.

StoneHedge allows you to base your bids off one futures contract and have it automatically hedged in a different futures contract.

Easily track everything in the Activity Report.

## AUTOMATE OFFER MANAGEMENT

Enter offers and let StoneHedge place and manage the orders automatically.

Whether you update your basis, or adjust an offer, you will see all your working hedge orders update instantly, with the click of a button.

This saves you time, removes error and eliminates slippage.

## BEST IN CLASS BID MANAGEMENT

Our unique basis bid editor has industry leading features that makes managing bids for many locations and delivery periods simple and fast.

Your cash & basis bids will seamlessly update in StoneHedge, your website, mobile app, and accounting system.

## CUSTOMIZABLE VIEWS

StoneHedge is fully customizable, allowing users to select what they want to view on the screens and the order they want to view it.

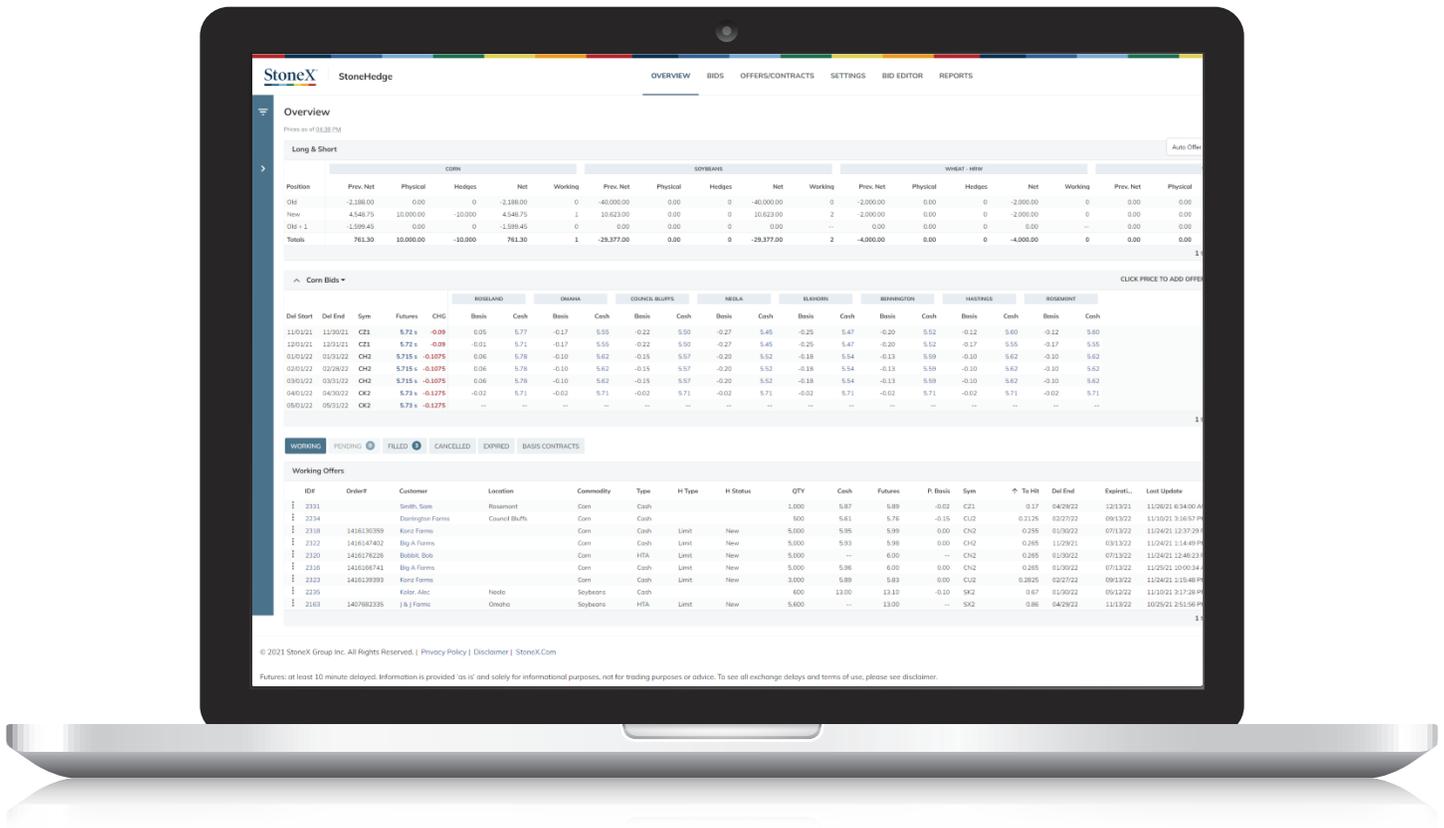

Making the platform a valuable management tool for every user.

Customizable notifications allow each user to determine how and when they are alerted of an offer status change.

## FCM AGNOSTIC

Whether you use StoneX for all your orders or not, StoneHedge works with all FCM's around the globe. All your accounts can be managed on one screen.

# COMPREHENSIVE VIEWS. POWERFUL TOOLS. INTUITIVE INTERFACE.

We designed StoneHedge to meet your most challenging grain merchandising needs today – as well as to evolve and grow along with those needs. With more features in development, we'll keep you apprised as new capabilities come online.

To learn more about StoneHedge and its latest developments, or to get started using it, contact your broker directly or contact our product team lead below.
